

Note: Dimensions are to edge of tape expect at the blue tapes in the staging area which are centered on the lines.  
 Feel free to snap other dimensions as you like to check your layout--diagonal measurements should be used to check "square".

- Out of Bounds (i.e. stepping on tape is a penalty)
- Bridge out of Bounds (i.e., builder can step on tape but bridge cannot touch tape)
- Centered on line--Use narrow (1") tape
